### Who We Work With

Our list of clientele range from Grammy-award winning collective The Roots to underground Hip Hop legends such as Sadat X & Afrika Bambaataa.

In addition to the aforementioned clients, we've provided services to:

#### Labels:

Interscope Records  
Rhymesayers Entertainment  
Well Done Entertainment  
Viper Records  
High Water Music

#### Artists:

Keri Hilson  
Joell Ortiz  
Immortal Technique  
Reef The Lost Cauze  
Homeboy Sandman

### The Roots Live Show Coverage | Jam Sessions

Noisemaker Media's exclusive coverage of The Roots' Jam Sessions is a limited engagement which features legendary musicians and recording artists to perform alongside with the legendary band from Philly. The Roots Jam Sessions are in large part impromptu performances that serve as musical templates for their recorded works in-studio. With over 30 shows recorded, our coverage of The Roots Jam Sessions is a testament to Noisemaker Media's prolific ability to produce a wide range of work that maintains a high level of production value and aesthetic quality.

### Keri Hilson Behind The Scenes Coverage | No Boys Allowed Photo Shoot

Noisemaker Media provides all-access coverage of Keri Hilson's "No Boys Allowed" photo shoot and captures the glamour behind the making of a provocative fashion-forward album cover. We offer an intimate glimpse into Keri's creative process where her fashion and music sensibilities meet. Noisemaker Media's unique behind the scenes coverage offers a presentation that is candid, revealing and aesthetically engaging.

### Sadat X Featuring Pete Rock Music Video | Turn It Up

Noisemaker Media and Fat Beats Records Present Turn It Up by Sadat X Featuring Pete Rock. This Noisemaker Media production creates a bare bones aesthetic that pays homage to the era that these two Hip hop legends originate from.

## NOISEMAKER DIGITAL MEDIA PRODUCTIONS

### **Afrika Bambaataa, Kool DJ Red Alert and DJ Jazzy Jay** Documentary | True School Park Jam Series

Afrika Bambaataa, Kool DJ Red Alert, and The Original Jazzy Jay reunite on the wheels of steel for the first time in over 25 years. Many have neglected the fact these individuals are primarily responsible for the genesis of hip hop culture. At the True School Park Jam Series, Noisemaker Media captures historic moments and creates engaging edits that promotes an event which brings together DJ's, B-Boys, and Hip Hop enthusiasts alike.

### **Hasan Salaam Featuring Lord Jamar** Music Video | Angel Dust

Welcome to her world. Hasan Salaam and Noisemaker Media present "Angel Dust," a voyeuristic tale of survival. The fusion of Salaam's lyrical prowess and Noisemaker Media's edgy technical vision create a dark and mysterious world dominated by red hot passion and gripping pain. Noisemaker Media provides cinematic depth and unique perspective to the music video genre, separating themselves as a timeless brand captivating audiences worldwide.

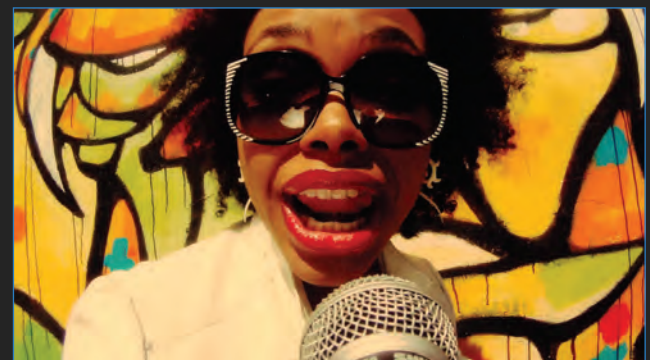

### **Toki Wright** Music Video | More Fiya

Rhymesayers Entertainment, SoulTools and Noisemaker Media Present Toki Wright's "More Fiya" music video. Noisemaker Media's innate cinematic sensibility creates an environment for Toki to showcase his energetic on-stage performance and translate it into dynamic visual art. "More Fiya" exhibits an artistic direction that is progressively moving towards a more kinetic and visually-driven presentation, further setting Noisemaker Media apart from their contemporaries as innovators and trendsetters in the Hip Hop music video genre.

### **Kalae All Day Featuring Homeboy Sandman** Music Video | O.G. Lyrikalbookbagger

Noisemaker Media aligns creative forces with emcee/singer/songwriter Kalae All Day to present her debut music video "O.G. LYRIKALBOOKBAGGER" featuring Homeboy Sandman. This unique visual presentation paints a vibrantly swift invitation for viewers to be the first to experience "afromatic-neo hippie-rockstar-soul music." With their signature aesthetic, combined with Kalae's wellspring of soulful Hip Hop flows and neo afro punk melodies, Noisemaker Media provides a snapshot of the next phase of visual and genre-bending experimentation.
